## Taranto-Guagnano & Guagnano - Taranto by train

If you are in Taranto, you can travel from and to Guagnano either via train or via bus. We would suggest the train as it crosses the Apulian countryside with its vineyards, olive groves and dry-stone walls. It is not a direct train and you would need to change at Francavilla Fontana station. There, you can continue the trip to Guagnano. In any case, before leaving, always check Trenitalia website for updated info ([https://www.trenitalia.com/it/informazioni/acquisti\\_online.html](https://www.trenitalia.com/it/informazioni/acquisti_online.html)). The walking distance between Guagnano station and Feudi di Guagnano Winery is 0,90 km and it only takes 10 minutes to get to the winery from the station.
